Convention.

PICNIC AT DREWRY'S BLUFF

Stonewall Jackson Aerie Hosts
at Pleasant Outing—Notes
of Southside.

South Richmond Bureau.
The Times-Dispatch,
1103 Hull Street.

Beer and Brunswick stew, punch
and ham, fermented juice and moth-
er's biscuits—these luxuries and many
more, was the profuse feast with
which the Eagles regaled the inner
man at their outing yesterday after-
noon at Drewry's Bluff. At 12:15
o'clock yesterday afternoon the exe-
cutive session was adjourned and the
convention left for the camping
grounds, a large number boarding
special cars. A few royal personages
sped to the rendezvous in automob-
iles. The destination of the Birds
was a forest primeval, with many
streams flowing nearby. The chill of
the day was dissipated by a huge bon-
fire, around which the old boys gath-
ered. The fact which some had been
keeping in anticipation of the event,
was here broken, and all did full jus-
tice. Great was the glee and humor
shown. The echoes resounded through
the tall trees. The amusements pro-
vided consisted of a near ball game,
limp-wrestling, and sparring
matches, and off in the distance shuf-
fling of cards was discernible. Some
singular dances were also performed
by gay Eagles.

Some made bold excursions into the
unknown forest, returning later, gar-
landed with the fruits of their dis-
covery. Towards evening the cavalcade
returned city-wards.

Officers Elected.

The following officers were elected
at the morning's executive session:
W. R. Brown, Norfolk, president;
John B. Graves, Clifton Forge, vice-
president; T. H. Smith, South Rich-
mond, chaplain; E. B. Peaco, Staunton,

Richmond, outside guard; John P.
Flood, Portsmouth, treasurer; George
Hancock, Newport News, secretary;
Trustees: C. S. Johnson, Roanoke;
James A. Shaw, Portsmouth, and M.
Asher, Norfolk.

The next convention will be held at
Hampton the second Tuesday in June.

Funeral of Mr. Smith.

The funeral of Richard Perry Smith
will take place this afternoon at 4
o'clock from the Bainbridge Street
Baptist Church.

follows: Judge F. H. Walls, Captain
J. A. Lipscomb, Alexander S. Wright,
R. C. Jones and B. M. Robertson. The
Odd-Fellows, J. O. U. A. M., and

will attend. The interment will be

MOTHER'S FRIEND

A LINIMENT FOR EXTERNAL USE.

No woman who bears children need suffer during the period
of waiting, nor at the time of baby's coming, if Mother's
Friend is used as a massage for the muscles, tendons and glands
of the body. Mother's Friend is a penetrating, healthful lin-
iment which strengthens the ligaments, lubricates and renders pliant those
muscles on which the strain is greatest, prevents caking of the breasts by keep-
ing the ducts open, and relieves nausea, backache, numbness, nervousness, etc.
Its regular use will prepare every portion of the system for the safety of both
mother and child and greatly reduce the pain and danger when the little one
comes. Mother's Friend is sold at drug stores. Write for our free book, which
contains valuable information for expectant mothers.

CHECK RETURNED

Firemen Are Not Beggars, Says
President of
Board.

In accordance with the policy laid
down by the Board of Fire Commis-
sioners some time ago, the check for
\$50 sent to the firemen by the Coun-
try Club directors in recognition of
their services at the time of the re-
cent fire at the clubhouse, has been re-
turned. Under former conditions such
contributions went to swell the fund
of the Firemen's Relief Association. It
came to the attention of the board
some months ago, however, that a ma-
jority of the members of that organ-
ization were not firemen, and that a
majority of the firemen were not mem-
bers in the association. The board,
therefore, refused to further sanction
such gifts, which were made under the
apprehension that the men in the de-
partment received the benefit.

The directors of the club suggested
that since the check should not go to
the Firemen's Association, that it be
divided among the members of No. 12
Company, which responded to the
alarm, but the chief and commissioners
ruled that it was not necessary to re-
ward the firemen for performing a
duty for which they were paid an-
nual salaries. So the check was re-
turned with thanks, the board mak-
ing it clear that the men do not have
to go before the public in the light of
beggars.

It is proposed, however, to take steps
shortly to organize a benevolent as-
sociation limited to firemen, for the
relief of those disabled in the service
and for their wives and children, mod-
eled along the lines of the Police
Benevolent Association, to which it
would be entirely proper for any per-
son whose property has been endan-
gered by fire to make a contribution.

NEGRO CONVICT ESCAPES

Meeting of Alumni of Virginia
Normal and Industrial
Institute.

Times-Dispatch Bureau.
109 North Sycamore Street,
Petersburg, Va., May 12.

The Tabb Street Presbyterian Church,
the largest church of that denomination
in the city, has been without a pastor
since the resignation of Rev. J. S. Fos-
ter, D. D., now of Birmingham, Ala.
The committee on pulpits supply has the
matter of securing a pastor in charge.
The pulpit of the Washington Street
M. E. Church, the mother church of
that denomination in the city and one
of the most desirable in the State, will
shortly be vacant by reason of the ac-
ceptance by the pastor, Rev. Thomas
Rosser Reeves, of the position of
assistant principal of the Blackstone
Female Institute. The official board
of the church has the matter of the suc-
cessor of Mr. Reeves under consid-
eration.

Robbers Sentenced.
The two negroes who recently broke
into Livesey's store, at Waverly, and
stole a large assortment of goods were
tried and convicted in the Circuit Court
of Sussex county yesterday and given
a sentence of nine years each in the
penitentiary.

Jury Disagreed.
In the Circuit Court of Chesterfield
yesterday Clarence Osborn, a white
tramp, was tried on an indictment
charging him with criminal assault on
a little girl, the daughter of Bohemian
parents. The alleged assault occurred
some weeks ago. The jury failed to
agree on a verdict, standing ten for
conviction and two for acquittal.

hop and reception to be given at the
Riverside Club Saturday afternoon from
5 to 7:30 o'clock will be the following:
Mrs. B. A. Martin, Jr., Mrs. C. E. Plum-

Convict Escapes.

James Snell, a negro, sentenced to
eighteen months by the Norfolk court,
made his escape this morning from the
road convict force in Chesterfield coun-
ty, and up to last accounts had not
been captured. Information of the es-
cape, with a description of the fugitive
was promptly sent out in all directions.

Good Price for Tobacco.

W. R. Young, of Dinwiddie county,
sold yesterday at Moore's Warehouse
several lots of tobacco aggregating
2,000 pounds or more at an average
price of \$20 per 100 pounds. Good
grades of wrappers have commanded
high prices throughout the season, rang-
ing up as high as \$35 to \$40 per 100
pounds. And the planters this year

Tired? Just as tired in the morning

nerve power? Just remember this:
Ayer's Sarsaparilla is a strong tonic,
entirely free from alcohol. It puts
red corpuscles into the blood; gives
steady, even power to the nerves;
strengthens the digestion.

Death of Old Citizen.
Thomas P. Shuert, a well-known and
esteemed citizen, died this afternoon
at his home on Highland Terrace,
Blainford. He had been failing in
health for some time, but his death was
unexpected. Mr. Shuert was seventy-
nine years old, was a native of Peters-
burg, N. J., had lived in Petersburg for
twenty years, and was survived by his
wife, two sons and two daughters.

Chairman Robert Gilliam expects to
call a meeting of the Fourth Con-
gressional District Committee for some eve-
ning next week to designate a day and
place for a primary, should such be
needed, for the nomination of a can-
didate for Congress. It is not known
whether Mr. Turnbull will have any op-
position.

Meeting of Alumni.

The attendance at the meeting of the
alumni of the Virginia Normal and
Industrial Institute, colored, to-day
was large. The institution since its
establishment has sent out over 100
graduates, who are scattered pretty
much through all of the States. The
college has kept in touch with most of
these graduates, almost all of whom
have turned out well and many of
whom have gained prominence in their
business or profession.

Among other matters discussed at the
meeting to-day, and which received
great favor, was that of the erection of
a suitable building on the school
grounds for a Christian association hall.
The board of visitors of the institution
has granted permission for the erection
of such a building.

At the meeting of the Alumni As-
sociation to-night an elaborate program
of exercises was rendered. There were
addresses of welcome and responses,
with music, etc. The principal address
of the evening was delivered by Dr.
Charles H. Carroll, of Pittsburgh, Pa.,
on the subject of "The Needs of the
Race." The commencement exercises of
the institution, with the award of di-
plomas, will take place to-morrow af-
ternoon.

INJURIES PROVE FATAL.

Victim of Mining Accident Passes
Away in the City Hospital.
Charles N. C. May 12.—J. W. Byrd,
of Kershaw, S. C., who was injured two
weeks ago in an accident in the Halls
gold mine, died in a local hos-
pital after a brave but ineffectual
struggle for life. Byrd had both legs
broken, both feet crushed, an arm
broken and numerous other wounds.
That he survived as long as he did was
remarkable, and local physicians never
witnessed a more manful fight. One
man was killed in the mine disas-
ter and two injured. The other injured
man was taken North for treatment.
Byrd was thirty years old and leaves
a widow and three children.

Trading Stamp Company Gets Injunc-

[Special to The Times-Dispatch.]
Danville, Va., May 12.—A temporary
injunction has been handed down in
the Corporation Court, Judge A. M.
Aiken presiding, in favor of the Sperry
& Hutchinson Green Trading Stamp
Company in a suit against the city of
Danville.
The injunction has the effect of sus-
pending for forty days the city ordi-
nance recently adopted imposing a li-
cense tax of \$1,000 on the trading
stamp company and in the meantime
it is expected that the legality of the
ordinance will be passed upon by the
courts.

Census Returns May Still Be Aid-

visor's Office.

Should there be any individual in
Richmond who has not been counted in
the census returns, he may still get
himself enrolled by calling at the of-
fice of Supervisor C. Ridgeway Moore,
on the fourth floor of the Mutual
Building. As the enumerators are no
longer at work, there is no one who
can be sent out to get any facts, but
the office force will take enough of its
own time to properly enroll any per-
son who appears at the office.
Mr. Moore said yesterday that there
may be a few omissions of persons
who have been out of the city. They
can now get into the game if they
have the good of Richmond at heart.
The census office will do its part.
